MAYOR UNVEILS YELLOW PLANT MACHINES AND FLEET

[MARBLEHALL] The Mayor of Ephraim Mogale Local Municipality has today unveiled the new Fleet and Yellow Plant machines at Obaro Sport ground in Marble hall Town.

He was joined by Whip of council Cllr Itumeleng Magane, Chair of Chairs Cllr Nkwana, Exco members Cllr, M Ramphele, Cllr F Sedibane, P Jacobs, E Tshiguvho, councilors, Municipal Manager Mr. Mogobadi Moropa, Senior Managers and Officials.

We are unveiling these machines this month of July as we celebrate and honor the legacy of our Icon Nelson Mandela under the theme" The Legacy lives on through you: Climate, Food and Solidarity". The Mayor alluded that these Yellow machines should benefit the communities of our Municipality.

The fleet include among others:

- 4 x Bakkies
- 2 x dipper trucks
- 2 x tractors
- 2 x Graders
- 1x TLB
- 1x skip bin truck

"These machines and fleet that we are unveiling here today should expedite service delivery to our communities. They should be stationed at our four satellite offices, Moomane, Leeuwfontein, Elandskraal and Matlerekeng for easy access as and when they are needed.

Gone are those days where a plant will take a long distance to help our people. Again as part of bringing services to the people, we are envisaging to decentralize Licensing services to the four satellite offices so that our people are

no longer spending lot of money on transport get services. Our services must be where our communities are staying, “added the Mayor.
