These are used by National Treasury to assist in the compilation of national and international accounts for comparison purposes, regardless of the unique organisational structures being used by the different institutions. The main functions are Governance and Administration, Community and Public Safety, Economic and Environmental Services and Trading services. It is for this reason that Financial Performance is reported in standard classification, Table C2, and by municipal vote, Table C3. (See executive summary for detail explanation on variances).

1.1.2 Table C4: Monthly Budget Statement - Financial Performance (revenue and expenditure)

Table C4 indicates revenue by source which indicates the types of income budgeted for and the performance of these items individually and expenditure by type reflecting operational budget per main type/category of expenditure. (See executive summary for detail explanation on variances)

1.1.3 Table C5: Monthly Budget Statement - Capital Expenditure (municipal vote, standard classification and funding)

Table C5 indicates capital expenditure budget and performance by vote. (See executive summary For detail explanation on variances)
