#### 1. Mayor's Report

The 2018/2019 Budget adjustment reflect the continuing improvement of previous financial years which speaks to municipality improved 2016/2017 Auditor General Report of Qualification Opinion. This improvement also reflected in the Council of Government Finance, Audit and Risk Officers (CIGFARO) Award on the most improve financial management institutions.

This also reflected that the municipality is applying sound financial management principles when compiling and implementing its financial plan to in ensuring that the municipality remains financially viable and services are provided sustainably, economically and equitably to all communities.

Our vision of making our municipality "Agricultural Hub of Choice", means that we need increase the agricultural sector for food security and grow our local economy that will create jobs mostly for young people. We should also bear in mind the challenges the agricultural sector is facing, that of drought which will harm and delay the processes of achieving our vision.

Once-more, this 2018/2019 reflect the overall adjustment of upwards based on various reason that include the budget of leave encashment as agreed upon in the bargaining, transfer of appropriate funds from low – to – high priority projects, increase in property rates based on the last six months performance and increase in capital projects. All this contributed towards the total upward adjustment of the budget

The detail of the adjustment budget is presented in the schedules attached as Annexure to this report.

#### 3. Executive Summary

The adjustments budget for 2018/2019 was compiled in accordance with the requirements of the Municipal Finance Management Act, Act 56 of 2003, as well as the Municipal Budget and Reporting Regulations which gives a clear directive on the prescribed reporting framework and structure to be used.

The application of sound financial management principles for the compilation of the municipal's financial plan is essential and critical to ensure that the municipality remains financially viable and that municipal services are provided sustainably, economically and equitably to all communities.

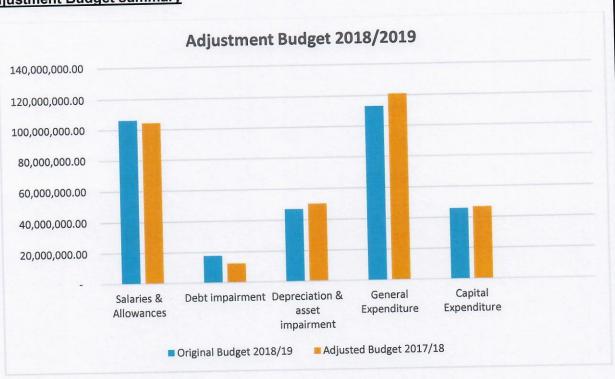

The adjustment budget is based on the performance trend for the last six months, and was done in consultation with various departments within the municipality.

There are no material repercussions on service delivery for the remainder of this financial year as a result of this adjustments budget. Service Delivery Budget implementation Plan will be affected by adjustment budget owing to the shifting of funds from one project to another, section 28 of the Municipal Finance Management act, provide that a municipality may revise an approved budget through an adjustment budget.

Moreover; an adjustment budget needs to be funded. Additional funding can only be allocated from service identified in the votes, where additional revenue is collected in additional to the revenue budgeted for or under certain conditions from cash-backed reserved accumulated surpluses

## The proposed adjustment budget can be summarised as follow:

■ Table B5 shows a breakdown of the capital programme in relation to capital expenditure by municipal vote (multi-year and single-year appropriations); capital expenditure by standard classification; and the funding sources necessary to fund the capital budget, including information on capital transfers from national and provincial departments. ).(See attached B Schedule and executive summary for further explanation)

#### f. Table B6-Adjustment budget financial position

Table B6 shows a good financial management practice, and improves of the impact of the budget on the statement of financial position.

 Movements on Capital budget and recent unbundling of community asset has yield an impact on our financial position. The net assets is R976 Million. See attached B Schedule

#### g. Table B7-Adjustment budget cash flow

- The budgeted cash flow statement is the first measurement in determining if the budget is funded.
- It shows the expected level of cash in-flow versus cash out-flow that is likely to result from the implementation of the budget.
- As it stands the Budgeted cash flow show a favorable closing balance which clearly indicate that the municipality will be able to finance the adjustment budget. The municipality has a positive/favourable cash flow balance of R97 Million during adjustment budget. See attached B Schedule

#### h. Table B8-Cash back reserves/Accumulated surplus reconciliation

This table provides an overview of municipal capital allocations to building new assets and the renewal of existing assets, as well as spending on repairs and maintenance by asset class.

#### i. Table B10-Basic service delivery measurement

- This table proves an overview of service delivery levels for each main Service
- The following services are not offered by Ephraim Mogale Local municipality hence there are no inputs
  - (a) Water services (Sekhukhune District Municipality)
  - (b) Sanitation services (Sekhukhune District Municipality)

# 7. Adjustments to expenditure on allocations and grant programmes

The municipality received R1,8 Million MIG rollover.

#### 8. Adjustments to allocation and grants made by the municipality

The municipality has budgeted an amount of R2 650 000 in the 2018/2019 adjustment budget.

Community bursary = R650 000

Staff bursary =R200 000

Free basic electricity =R1 800 000

#### 9. Adjustments to councilor's allowance and employee benefits

✓ Employee related costs have been lessened by 1.8 Million owing to positions that are not filled as yet e.g. Director and manager planning; moreover the decrement was encouraged by noticeable number of officials resigning from the institution.

#### 10. Adjustments to service delivery and budget implementation plan

The monthly and quarterly service delivery targets and performance indicators will be revised to correspond with the adjustment budget.

#### 11. Adjustment to capital expenditure

As already mentioned in the executive summary; the capital budget was adjusted upward from R 45Million to R 46 Million.

The Capital details are shown in the following tables:
