EPHRAIM MOGALE LAUNCHES LOCAL AIDS COUNCIL

Local Aids Council was launched in terms of Limpopo Provincial AIDS Council policy framework of 2023/2028. It comprises of not more than sixty members from Business, civil society sectors organizations and government departments that are involved in the fight against AIDS across the length and breadth of the municipality.

LAC structure is chaired by the Hon Mayor Cllr Given Moimana and his Deputy by Pastor Matsekoleng from Faith Based organization and the LAC Technical committee is chaired by the Municipal Manager and the rep from Department of Health as the deputy chair, Director of Community service and other representatives from the municipality and sector departments.

The role of Local Aids Council is to advise the Municipality on policy and programmed implementation on issues related to HIV, STIs and TB and make recommendations on overall policy and operational plan Implementation.

The honorable Mayor appointed all the members of LAC and encouraged them to work together to ensure that the structure is functional.

" We should meet as per the requirements of the Framework and present reports to the upper structures in line with the terms of reference "said the chairperson of LAC.

End.
