Matric Learners can now apply

The Ephraim Mogale Local Municipality Mayor, Hon. Councilor Kupa is calling on matric learners within the area of jurisdiction of this municipality to apply for financial assistance in the form of bursary for the upcoming 2018 academic year.

The application forms are now available in the municipality offices and from the Ward Councilors, and the municipality is arranging that some of the application forms be distributed to schools. The fields of studies include Agriculture, Engineering (Civil, Electrical and Mechanical), Finance or Commerce, Record Management, Information Communication Technology, Tourism and Town Planning.

This bursary scheme comprises part of the municipality's commitment to both service delivery and education of our learners within the municipal jurisdiction since its inception. About thirty (30) learners have benefited from this bursary scheme.

The closing date for applications is the 22nd December 2017, at 10:00 am.

The municipality further wishes all learners, in particular Grade 12 (Matric) learners all the best during their exams.

For more information, please contact the Municipal Spokesperson, Mr J.T.Phasha, at 013 261 8419 or cell number 082 575 8030.
